

SALT LAKE COUNTY 7TH ANNUAL GIVING TREE

Seniors need a HUG this holiday!

Come help Salt Lake County Aging Services meet the needs of Salt Lake County's seniors!

Items needed for each Senior are listed on a "Bear Hug" ornament and hung on the County Giving Tree.

Many of our seniors are struggling financially and have no family support. Your assistance makes it possible for them to have the "bear" necessities of life!

The Giving Tree is located in the Atrium of the South Building of the Government Center, located at 2001 South and State Street.

New gifts are returned unwrapped in a gift bag to Suite S1400 of the South Building by Friday, December 7th.

Thank you for your generosity!
