

A City Recorder's Ethics

International Institute of Municipal Clerks Code of Ethics

Believing in freedom throughout the world allowing increased cooperation between Municipal Clerks and other officials, Locally, Nationally, and Internationally.

I do hereby subscribe to the following principals and ethics which I affirm will govern my personal conduct as a Municipal Clerk.

To uphold the constitutional government and the laws of my community;
To conduct my public and private life as to be an example to my fellow citizens;
To impact to my profession those standards of quality and integrity that the conduct of the affairs of my office shall be above reproach and merit public confidence in our community;

To be ever so mindful of my neutrality and impartiality, rendering equal service to all and to extend the same treatment I wish to receive myself;
To record that which is true and preserve that which is entrusted to me as if it were my own; and

To strive constantly to improve the administration of the affairs of my office consistent with applicable laws and through sound management practices to produce continued progress and so fulfil my responsibilities to my community and others.

These things I, as a Municipal Clerk, do pledge to do in the interest and purpose for which our government has been established.
